MEMORANDUM FOR THE COMMANDING OFFICER, AIR TECHNICAL INTELLIGENCE CENTER
Attn: AFM-IN-ATISD

SUBJECT: Department of the Navy Facilities for Translating
Russian Technical Literature.

REFERENCE: Letter of 17 September 1951, to Director, CIA, from
Chief, Technical Services Division, ATIC.

1. Referenced request asked for a current listing of government facilities that translate Russian technical literature.

2. Our memorandum of 7 December 1951 forwarded all current information, but explained that we had not yet received an up-to-date listing from the Department of the Navy. Their data has now been received, and is as follows:

- a. Office of Naval Intelligence
- b. Naval Research Laboratory
- c. Bureau of Ships
- d. Bureau of Medicine and Surgery
- e. Commander Naval Forces Germany
- f. Commander Naval Forces Far East
- g. Hydrographic Office
- h. Naval Attache, Moscow

3. It will be noted that the foregoing listing differs from that forwarded with our memorandum of 7 December 1951. It is requested that you make the necessary changes in your records.
